SUPPORT THE NZ BOYS DANCE CONVENTION

NZBDC is nothing like you've ever been a part of before. We create space for male dancers to come together and create lifelong friendships.

Many of the previous delegates had never had the opportunity to connect with so many other boy dancers, inspiring male tutors or dance choreography purely created for boys, it truly is something special.

Over the last 3 years NZBDC had over 150 male dancers from all over NZ and Australia join together for a weekend of workshops, social events and presentations.

We were also very excited to celebrate our 2023 Battle Of The Boys competition winners.

We have been blown away with the passion of these male dancers and we want to support their request for more male specific dancewear and products. With 60 dancers attending in 2022 and over 80 in 2023, we know 2024 will be hugely significant in the NZ Dance calendar.

We are looking for sponsors and exhibitors to compliment the vision of our convention. Our 2023 families expressed their frustration when looking for merchandise, costumes, footwear, bags and dance wear to suit their needs. As we are bringing so many boys together, we want to ensure they have the opportunity to leave with the items they desperately need.
